SEPTEMBER UNIVERSITY:

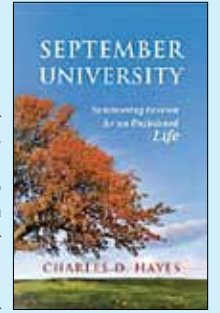

Summoning Passion for an Unfinished Life

by Charles D. Hayes

September University as an idea is a metaphor for intellectual maturity and represents an ambitious quest on behalf of posterity. *September University*, the book, is a call to action, a social forecast, and above all, a passionate pronouncement that a bright future depends upon the experiential wisdom of aging citizens. This exploration has the potential to alter worldviews, heighten aspirations, and elicit reflections about each person's legacy. Described as one of the finest books in print for gaining the existential bearings necessary to navigate and make the most of the last chapters of life.
