**HEADED INTO THE ABYSS**

The Story of Our Time, and the Future We'll Face

by **Brian T. Watson**

A unique, big-picture assessment of the unprecedented forces and developments besieging our societies and the world. Powerful and interconnected, these forces and their dynamics will carry us into any number of disasters well before 2100. We have the knowledge and solutions to address our difficulties,

but for many reasons we will not employ them.

Describing the current interplay of capitalism, politics, technology, the Internet, human nature, and other realities, the book is unflinching in its sobering conclusions.
